00222057 "Extreme Protect" Tablet Case for Apple iPad 10.9" (2022), transparent

### Highlightstext:

- Unique tablet protection for the Apple iPad 10.9" that can comfortably withstand even heavy stresses: the D3O-licensed tablet case is the bodyguard for your tablet with impact protection, drop protection and scratch protection - the impact-resistant and yet stylish protective case for tablets for a professional impression
- High-end cover with D3O® licence: this bumper case with innovative protective frame guarantees shatterproof and shockproof drop protection - a protective tablet case for every situation
- Scratch-resistant with 4H hardness rating: tough, strong surface finish protects against scratches and abrasions from anything in your hand luggage, handbag or laptop bag
- Sleek and elegant: the tablet sleeve with transparent back and black front cover creates a professional impression - with optimised tablet protection that shows
- Transparent tablet cover without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration
- Simply lay it down carefree: the raised edges of the tablet case provide protection for the protruding camera lenses without compromising the quality of the photos
- Additional protection for the tablet display: the tablet case has a raised edge all around - so the touchscreen is better protected
- A clean sweep: the tablet sleeve cover also covers the side buttons - this protects against dust and enables a perfect pressure point
- Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the tablet case
- Practical, space-saving pen compartment in the middle of the tablet case for input pen, ballpoint pen, etc.
- Easily save energy: the integrated magnet in the tablet case switches the iPad on when the cover is opened and off when it is closed - saving battery power even without an extra button press
- Stable stand for the tablet: simply fold out the front cover on the tablet case, set the tablet up and use it comfortably for working - just two steps to the perfect viewing angle
- Hard, transparent back: even in the case, the tablet's design remains visible - safe handling and a high-quality appearance combined in one outdoor tablet case
- With the tablet in its case, you have everything to hand: cut-outs allow full access to ports and control elements - all buttons, sockets, etc. are accessible as normal
- Reliable protector: the sturdy upper material is durable and lightweight
- Particularly shock-resistant frame: the innovative protective shield specifically protects sensitive edges - so the tablet's biggest weak points are perfectly protected
- Stable design as a bumper case: tablet protection case made from resilient material, impact-resistant corners thanks to material reinforcement for even more safety in the event of bumps and falls
- Functional design with ribbed surface for a good grip: whether it be in the garden, on the sofa or in a business meeting, the tablet case always looks the part
- The highlight: the tablet with the cover lies flat on the table etc. with the small feet on the corners, creating a straight surface with the camera protection so the tablet does not wobble
- Slim tablet protective case takes up barely any space and is not bulky
- Flexibility: easy to attach to the tablet PC
- A firm grip in the case, even if you stand the tablet up in the case and work with an external keyboard, for example - Custom-positioning as required
- Ideal for surfing, writing e-mails or watching videos
- Perfect stand function by simply folding the cover
