## iPhone 14 recycled Case Matt White

Article number: 4664274

In addition to protecting your smartphone, this case also helps protect the environment by using recycled material. It consists of 100% recycled TPU, which, for example, can be obtained from a 500 ml plastic box that corresponds in quantity to one case. This procedure follows the principle of the circular economy and thus contributes to the conservation of valuable resources.

- Custom-fit protection for the Apple iPhone 14
- Consisting of 100% recycled TPU
- Flexible, durable, and shape-retaining soft cover
- Tight enclosure thanks to a perfect fit
- Particularly light and easy to grip
- Simple, transparent, and elegant
- Reduces fingerprints
- Access to all buttons and ports
- Supports wireless charging
- Antibacterial coating (prevents Escherichia coli and Staphylococcus aureus, effectiveness 94.4% and 99.7%)
