

ERGOSTAND III

Ergonomic Laptop Cooling Pad

The ERGOSTAND III is an ergonomic laptop cooling stand that will make using your laptop fun and uplift your business productivity. A large 230mm ultra silent fan with all new Loop Dynamic Bearing and exclusive fan blade design provides better air dissipation, ultra low noise, and longer lifespan to increase laptop performance. Removable front plate enables quick cleaning to sustain high performance. 6 Ergonomic height settings let you quickly choose the ideal angle to relieve neck and shoulder pain. Grooves and hooks keep wires clean and tidy while the USB hub expands one laptop port into four (4). Compatible with 17" laptops and tablets by adjustable anti-slip holders.

Features

- 6 ergonomic height settings for comfortable viewing angles
- All new fan design with ultra silent, high air pressure Loop Dynamic Bearing
- High quality aluminum fan speed control
- Removable plate for easy fan maintenance
- Adjustable anti-slip holders keep your laptop or tablet in place
- Cable management and 4 USB outputs
- Elegant metal mesh cooling surface
- Ultra slim design matches all laptops

Warranty

Cooler Master™ guarantees this product against any material or functional defect, and provides limited hardware warranty service for one year after the date of purchase. Two years warranty for EU.

Specifications

Model	R9-NBS-E32K-GP
