

Kfz-Ladegerät

00173671 Car Charger, micro USB, 1 A, black

Highlightstext:

- Power supply of smartphones with a micro USB port via a cigarette lighter socket
- Charging current of max. 1000 mA for fast charging
- Charging process optimized for the device which guarantees maximum charging speed
- Connected devices are automatically recognized and optimally charged
- Optimized charging process saves the battery thus extending its service life
- Charger for easy charging in a car
- Intelligent and safe charging: overcharge, overvoltage and short circuit protection

Technical Details:

- Connection: Cigarette Lighter Plug/USB Micro B Plug
- Input Voltage Range: 11-16 V
- Max. Output Current: 1 A
- Power: 5 W
- Colour: Black
- Usage: Mobile Phone & Smartphone

Scope Of Delivery:

- 1 car charger
