

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

USB-A Cable

Article number: see below

The USB 3.0 standard transfers data at up to 5 Gb per standard (SuperSpeed) making it up to 10x faster than USB 2.0. Additional contacts on are needed on the connectors. On the Type A connector these have been integrated in such a way that their original form has been retained. Thus USB 2.0 and 1.1 compatible devices can be operated on USB 3.0 ports, and USB 3.0 devices can also be operated on older computers. All other connector types are not intercompatible.

- USB 3.0 standard with transfer rates up to 5 Gbps (SuperSpeed mode)
- Backwards compatible with USB 2.0/1.1 (type A connector)
- Top quality cable
- USB 3.0 A-A connection cable

Specifications

Product type	USB cable
Connectors	Type A male Type A male
USB version	3.0
Transfer rate	5 Gb/s
Connector gender	Male - male
Colour	Black
