EFFICIENT AIO
FOR SMALL
BUSINESSES

Lenovo™

Lenovo V330 AIO

CONVENIENT AND POWERFUL AIO FOR EVERYDAY COMPUTING

Fast, responsive, and reliable, the Lenovo V330 All-in-One (AIO) is the perfect choice for everyday business. Available with a choice of the latest Intel® Core™ Processors up to Core™ i7, robust DDR4 memory, and optional high-speed PCIe solid state drives, this AIO meets your business needs and enables you to switch between apps and handle large files, images, and videos easily. With its impressive design, manageability, and energy efficient features, the V330 AIO maximizes productivity.

Superior Viewing Experience: the 1600 x 900 TN, 16:9 display enhances the viewing experience with a 19.5" anti-glare panel that scatters light emission and prevents glare — no more eye fatigue.

Easy Management: featuring two USB ports and an audio combo jack in the front panel for easy plug-in and removal.

Optimized Workspace: experience a clutter-free workspace with a convenient cable holder in the rear.

Excellent Comfort: the Low Blue Light Certification ensures reduced eye strain and increased eye comfort when working for long hours.

Intelligent Security: easily cover the camera by simply pushing the control button, no more using post-it or tape to cover the camera.

ITDM Benefits

- **Productive:** powerful performer with user-friendly front ports for easy and convenient employee workflow to drive productivity.
- **Secure:** data security with BIOS-based smart USB protection that allow keyboard and mouse access while restricting other storage options.
- **Reliable:** durable AIO that has been tested in Lenovo lab and can perform in the most challenging environments.
- **Simplify IT Work:** Lenovo Vantage app is a one-stop-shop for the end users to manage system health, configure system updates, purge unnecessary files, and save IT's time as well as enable employees to focus on their business.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your AIO investment — so you can focus on your work, not your IT.

Premier Support

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

Accidental Damage Protection (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

Warranty Extension (Up To 3 Years)

This fixed-term, fixed-cost service helps you accurately budget for AIO expenses, protect your valuable investment, and lower the cost of ownership over time.
