

RISE 2000W Motorized Display Floor-Wall Lift DirectControl

Key Benefits

- Manual operating with electrical support (DirecControl®)
- Maintenance-free and 5-year warranty
- TÜV and CE certified
- Option for whiteboards & various accessories
- Anti-collision on the display lift prevents damage

RISE 2000 DirecControl® is a manually operated, electrically supported display lift for easy, fast and safe height adjustment of large displays. The lift is suitable for screens up to 98" of max. 100 kg and has a universal VESA fitment up to max. 800x600. With a maximum height adjustment of 980mm, lift speed up to 80mm/s and a stable column construction, this lift fits perfectly into any environment. Due to the unique DirecControl operation, you can move the screen simply by pushing or pulling it at any desired location. Without remote control or buttons. The lift automatically adjusts its speed based on the force applied
