Whether you're traveling, in the office, or at a remote job site, the Targus® SafePort® Rugged Max Case for iPad® (A16) and iPad® (10th gen.) 10.9-inch provides ultimate coverage and maximum protection for your iPad. Featuring BlueShock™ Protection, an advanced, lightweight triple-layer corner protection system, this case is thoroughly tested to meet the rigorous mil-spec (MIL-STD-810G) standards that protect from harsh environmental conditions, sudden drops, and accidental slips.* It's designed with an integrated, bezel-free screen protector, and silicone port covers to protect the audio and power ports when necessary. You can rest assured this rugged case provides the best, all-around protection from everyday use, water, drops, dust, or force.

Versatile and hassle-free, the case has a built-in stand for multiple viewing and typing positions, which seamlessly slides open with one hand and sits firmly on nearly any surface thanks to its hinge-less design. Connect the silicone hand strap and your iPad becomes more accessible and secure than before.

* As tested by an independent third party applying MIL-STD-810G, Method 516.6, Procedure IV.

Note: Meets Ingress Protection Level 54 for dust and water resistance as tested by an independent third party laboratory applying IEC standard 60529.
