

DELL PREMIER BRIEFCASE 15 – PE1520C

Eco and TSA friendly travel companion

ECO AND TSA FRIENDLY

Enjoy the option of breezing through TSA security checkpoints without removing your laptop, thanks to its TSA-friendly design. Earth-friendly and durable, its water resistant outer skin is made from reclaimed automobile windshields using Dell's EcoLoop™ solution dyeing process¹, keeping your devices and documents dry and protected.

IMPACT-RESISTANT CONVENIENT DESIGN

Protect your laptop and devices in style with a shock absorbing EVA foam interior and durable 1680D Ballistic Polyester exterior with black leather accents. Sling the detachable and adjustable, non-slip padded strap over your shoulder to go hands-free or simply attach your briefcase on top of your rolling suitcase with the trolley strap.

ALL YOU NEED ON THE GO

Conveniently charge your laptop inside the backpack while you're in transit by passing a cable through to a dedicated portable charger pocket². A discreet valuables pocket at the back of the briefcase offers an ideal and convenient location to stash your passport or smartphone.

Features & Technical Specifications

 Dual textured material — 1680D Ballistic Polyester with genuine leather panel/zipper pulls for a luxurious look and feel

TSA⁺

TSA checkpoint-friendly design offers you the option to breeze through security without removing your laptop

EVA+

Added EVA foam cushioning built around the laptop vault keep your computing devices protected in case of impact.

EcoLoop™

Coated with a water-resistant, protective material made from reclaimed automobile windshields¹

Convenient in-bag charging when on-the-go

Trolley strap for easy slot through of luggage handle
