

Delock USB 3.2 Gen 2 FPC Flat Ribbon Cable USB Type-C™ to USB Type-C™ 22 cm PD 3 A E-Marker

Description

This USB cable by Delock enables the connection between a device with a USB Type-CTM connector and a PC or a laptop equipped with a free USB Type-CTM port.

Ultra flexible cable

The cable is characterized by its special construction. Instead of normal copper wires there is a flexible circuit board inside the cable, which is also called FPC (Flexible Printed Circuit). This makes the cable extremely flexible and yet robust. It is particularly suitable for charging smartphones via a power bank on the go.
