

Secret 4-Way 14" (16:9)

Premium privacy screen protector (4-way) for notebook

Notebooks are part of our daily lives, both for business and leisure. We are becoming increasingly mobile and also use our devices in public places. The DICOTA privacy screen protectors optimally protect your personal data from prying eyes. The premium line boasts high quality, durability and easy installation. The protective film is stuck directly on to the screen. Guaranteed bubble-free and easy to remove without leaving behind any residue.

The Premium privacy screen protector not only prevents unwanted insights into your computer, but also protects the screen against scratches. Other product features include the high mechanical resistance and easy removability. The 4-way technology protects the screen from viewing on all four sides; left/right and top/bottom. At the same time, the touch functionality of the screen remains completely intact. A practical and effective method to ensure that only you can view your data. Ideal for use in hotels or on the bus, train or airplane.
