

# Ultimate Presenter™ with Virtual Pointer

## Point anywhere, present everywhere

Part number: K75233

UPC code: 8589675233

Providing an innovative presentation tool for a variety of environments and screens, the Kensington Ultimate Presenter with Virtual Pointer gives you the opportunity to point anywhere and present everywhere. The Ultimate Presenter offers an ergo-friendly design, versatile storage as well as pointer customisation options for different presentation scenarios. It is the ideal presentation tool for today's digital world.

### FEATURES & BENEFITS

- **Virtual Pointer Technology** allows pointer to be viewed on a variety of presentation screens including traditional projection screens, TV displays, bright LED screens, and smart boards, making it the ideal pointer for every presentation scenario, including conference rooms, online meetings and large auditoriums
- **Online Meeting Compatibility** allows remote participants to see the pointer onscreen when using web meeting tools like WebEx®, GoToMeeting®, Skype™ and JoinMe®
- **KensingtonWorks™ Software** enables customisation of pointer size, shape and speed to suit your presentation environment, and additional options, such as configuring the blackout button to start/end slide show
- **Ergonomist approved design** features a contoured shape to minimise wrist twist and maximise comfort with an intuitive 4-button layout
- **2.4GHz receiver with MicroSD card** provides up to 20 metres (65ft) of wireless range, expandability to 32Gb of memory, and a plug & play user experience
- **Windows® and Mac® compatible** to support PowerPoint®, Keynote®, Adobe® PDF, and Google® Slides
- **Storage Pouch** conveniently stores your presenter in a soft travel pouch
