

4-Port Travel-Hub

The compact 4-Port Travel Hub conveniently adds four easy-access USB ports to your laptop/netbook/ultrabook — perfect for connecting a keyboard, mouse, thumb drive, charging cable, or any other USB-enabled device.

- 4 Ports to connect printer, mouse, flash drives or digital cameras with every computer
- Compact, no power supply needed, ideal for travel, plug & play
- Works with all PCs, Notebooks, Netbooks and Macs
- USB 2.0, backwards compatible
