

Passive holder with tilt swivel

For device with/without handstrap.

Item no: 711449

EAN Number: 7320287114492

Keep your device in a holder for safer driving when viewing, accessing and operating your device in your vehicle. Neat, discreet and convenient! Keeps your device in an upright position for better reception. Custom made design with a perfect, firm fit with/without handstrap. You have full access to the camera and all buttons and outlets when the device is in the holder. You can connect a charging cable to the device when it is in the holder. Easy dock/undock your device with one hand.

The holder is equipped with a tilt swivel so you can easily adjust the angle for better viewing, or switch between portrait and landscape mode. Tilts 17° and swivels 360°. Mounting plate 42x50 mm with 4 mm AMPS-holes. Made of high grade black ABS plastic. Color: black. Made in Sweden. For easy and optimal installation, attach the holder onto a custom ProClip Vehicle Mount, a Pedestal Mount or attach it directly to any surface.

Fits the following models:

Honeywell CT32
