

Clamp / Tension Bracket

00210574 "Multi" Smartphone Bag as Handlebar Bag for Bicycles, Waterproof

Highlightstext:

- Bag for safe attachment to the handlebar stem of a bike or e-bike
- A special foil lets you operate the touch display in the case
- 360° rotation for optimal orientation
- One click: the bag can be removed from the holder with just one button press
- Hard-wearing, robust, dirt and water-repellent material
- Additional compartments, e.g. for small change, charging cables, power banks and other utensils for life on the move
- A panel shields the sunlight and improves the readability of the display; ideal when using your mobile phone as a satnav
- Mobile phone bag suitable for handlebars up to approx. 40 mm in diameter
- Suitable for any smartphone with a width of up to 8 cm and height up to 16 cm
- Side opening for headphone cable or USB cable
