

S60UA ViewFinity monitor

24" Monitor | LS24A600UCU
27" Monitor | LS27A600UUU
32" Monitor | LS32A600UUU

Experience a bigger picture and deeper detail with the new Samsung S60UA ViewFinity professional monitor.

Partner Logo

Experience

From the design of the bezels to intuitive tools, our monitors offer enhanced user experience.

- **Flat Display** (24" & 27" IPS, 32" VA)
- **Connectivity** (1xDP, 1xHDMI, 3xUSB, 1xUSB-C, LAN)
- **1.07 Billion Colors**
- **Wide Color Gamut** (99% sRGB)
- **Multitasking Tools** (PiP, PbP, Daisy Chain)

Well-being

Our products maximise viewing comfort, while protecting against eye strain.

- **Adaptive Picture** (Auto adjust brightness & color)
- **Eye Saver Mode** (Minimize blue light emission)
- **Flicker Free**
- **Ergonomic Stand** (HAS, Tilt, Swivel & Pivot)

Sustainability

We work to push technology forward with more environmentally conscious innovations.

- **Eco Saving Plus¹** (use up to 10% less energy)
- **Our Packaging²** (reduced plastics & oil-based ink)
- **TCO Certified³** (9.0)
- **EPEAT Silver⁴**

Key features

QHD

Resolution: Experience details not seen before. Benefit from new levels of precision with up to 1.7x the pixel density of Full HD. QHD provides more room for multitasking or taking in beautiful videos and images.

HDR

1 billion colors with HDR10: A richer color reproduction for lifelike images, 1 billion colors for color accuracy and deep blacks with bright whites with HDR10, for the most vibrant color ever.

Intelligent Eye Care⁵: TÜV certified Intelligent Eye Care means brightness and color temperature adjust automatically for optimization in any space or lighting conditions, while a flicker-free display and a low blue light take better care of your eyes.

USB type-C: Connect everything, create anything. USB-C provides up to 90W power delivery (65W for 24" models) for fast charging, high-speed data transfer, video signals and more. All from one cable.

Eco Saving Plus¹: Eco Saving Plus technology can reduce up to 10% of power consumption when compared with the maximum brightness level by adjusting the brightness of the screen's black sections automatically.

<https://displaysolutions.samsung.com/monitor/detail/1795/S27A600U>

<https://displaysolutions.samsung.com/monitor/detail/1796/S32A600U>

All tests and measurements were conducted by Samsung internally.

¹Based on internal testing data of S80PB, S80TB and T45F monitors only. Testing compared energy usage of these models with Eco Saving Plus mode switched on high setting and switched off. Actual energy savings may vary based on usage conditions, brightness levels, and model selected. Eco Saving Plus is not available in Dynamic Contrast Mode, Game Mode, Eye Saver Mode, or when PIP/PBP Mode is on.

²Samsung's commitment to phasing out plastic packaging includes monitor display boxes for S80UA and S60UA models only. We have replaced plastic and shrink wrap in the distribution stage and the boxes are designed with minimal text and graphic imagery to reduce oil-based ink use.

³See www.tcocertified.com for more information. TCO certification does not apply to 32" models.

⁴See www.epeat.net for more information. EPEAT certification does not apply to 32" models.

⁵Intelligent Eye Care is certified by TÜV Rheinland. For more details, visit www.tuv.com.

⁶LAN unavailable on 24" model.
