Kensington®

W2000 1080p Auto Focus Webcam

Part Number: K81175WW | UPC Code: 0 85896 81175 6

Optimised for video conferencing.

Many professionals are overwhelmed by the technological knowledge needed to create an optimised desktop setup, along with the various software packages they need to enhance their video conferencing experience. They require a solution that simplifies their experience. Optimised for video conferencing applications, the W2000 delivers high quality video (1080p @ 30fps), omnidirectional sound, together with unique features for enhanced privacy, optimum camera placement and improved low light imaging. Look your best and troubleshoot less with Kensington's cohesive software and accessory experience.

Features include:

- Optimised for Microsoft Teams, Zoom and more
- Narrow 75° field of view keeps the focus on you
- Personalise video settings with Kensington Konnect™
- Electronic pan, tilt and 2x zoom for focal point changes
- Manual 37° vertical and 360° horizontal adjustment
- Large sensor size for low light imaging
- Omnidirectional microphone with noise cancellation
- Meets Wipe Down Protection requirements

75°

W2000 1080p Auto Focus Webcam

Part Number: K81175WW | UPC Code: 0 85896 81175 6

Optimised Video Technology

Delivers high quality video at 1080p (1920x1080 @ 30fps) with automatic focus and enhanced support for low-light environments.
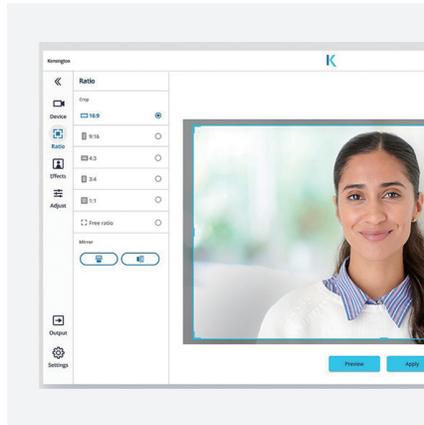

Simple & Powerful Software

Kensington Konnect™ allows you to personalise your video settings with the click of a button and create custom use-case profiles.

Privacy Focused

Narrow 75° diagonal field of view keeps the focus on you for 1-on-1 calls, with the integrated lens cover allowing you to control when you are seen.

Versatile Positioning

Includes electronic pan, tilt and 2x zoom (ePTZ) with manual 37° vertical and 360° horizontal adjustment so you can get the best angles.

Omnidirectional Microphone

Omnidirectional microphone with noise-reduction technology ensures you are heard.
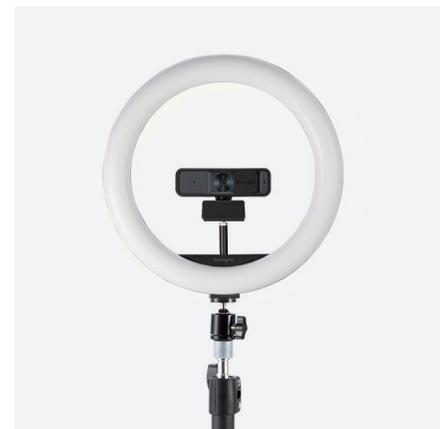

Kensington Ecosystem Compatible

Create a tailored setup based on your environment by combining with a Desktop Stand (K87651WW) and Ring Light (K87653WW) - other accessories also available.
