Soft-touch and tangle-resistant with a powerful 240W charge for USB-C devices

240W Charging Power

Featuring PD 3.1 Extended Power Range (EPR), the cable delivers a powerful 240W charging capacity for all of your power-hungry devices.

Enhanced Durability

Made from a durable silicone jacket that has been tested to withstand over 25,000 bends, this cable is built to seamlessly handle charging demands while on the move.

Portable and Tangle-Free Silicone Design

A super soft silicone design enables the cable to remain tangle-free, even when stuffed into a bag, pocket, or wrapped around a charger.

Over-Temperature Protection (OTP) up to 90C/194F

Each port connector contains E-marker chips with OTP, ensuring the safe delivery of power and data.

Future-Proofed Universal Compatibility

Created with universal compatibility in mind, this cable is designed to seamlessly support all USB-C devices of today and tomorrow.

Compatibility:

- USB-C Devices
- USB-C Chargers

Specifications:

- USB 2.0 480Mbps
- PD 3.1 240W Power Delivery
- 6ft/2m length
