

Light Switch

00176551 WiFi Touch Wall Switch, Flush-mounted, white

Highlightstext:

- Double wall switch for the convenient switching on/off of the ceiling light via WiFi
- Wall switch for integration into your own WiFi network via the free "Hama Smart Home" app
- Works without gateway/bridge
- Existing wall switches can easily be replaced with this one
- Glass surface with two soft-touch buttons
- Up to two lights can be switched on/off
- Control via free app or optionally via "Amazon Alexa" and "Google Assistant" voice control
- Also controllable on the move via the app, keeping you in full control
- High compatibility: works with Amazon Alexa, Google Assistant, Siri Shortcuts, Home Connect Plus, iOS and Android. Can also be connected to all Alexa and Google Assistant-compatible smart home products from other manufacturers
- Also controllable by hand (WLAN-independent)
- Supports timed control
- Flush mounting

System Requirements:

- Operating system: Android 4.3 and iOS 8.0 or later

Note for Consumers:

Installation only by a qualified electrician.

The switch cannot be used as an alternating switch, only as a simple On/Off switch.

Amazon Alexa:

the required Alexa skill "Hama Smart Home" must be activated in the Alexa app. The user account for the Hama Smart Home app is then connected to Alexa.

This allows the devices to be controlled via voice control (e.g. switching on/off, stepless dimming, changing colours).

Google Assistant:

the "Hama Smart Solution" service must be activated in the Google Home app for this. The user account for the Hama Smart Home app is then connected to Google.

This allows the devices to be controlled via voice control (e.g. switching on/off, stepless dimming, changing colours).

Technical characteristics:

- Product Division: Home & Living
- Signal Transmission: WiFi
- Frequency Band: 2,4GHz
- Mains Frequency: 50 Hz
- Max. Performance: 1000 W
- Operating Voltage: 230 V
