

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

Surface Cable Lock

Artikelnummer: 4394078

This ARTICONA security lock helps you to effectively secure your IT devices and protect them from theft. The cable lock has been specially developed for the Microsoft Surface and is easy to use and attach. It offers professional-level security and is easy to attach to the device. Simply assign your personal 4-digit number combination to secure the lock. The PVC-coated steel cable is sturdy yet beautiful to look at, and it is pliable, which allows for optimal placement.

- Reliable and durable
- Cut-resistant steel cable
- Non-invasive lock mechanism
