

ThinkPad X13 Gen 3

Powered by up to AMD Ryzen™ 7 6000 PRO and boasting integrated Radeon™ 600M Graphics, the refreshed ThinkPad X13 Gen 3 perfectly marries high performance with ultra-portability. Built to amplify business computing for the hybrid workforce, this powerful next-gen laptop delivers the most modern security features and enterprise-class productivity solutions.

Confidently tackle the day with this work-from-anywhere laptop, with its Wi-Fi 6E¹ connectivity and optional 5G, plus built-in ThinkShield security features to ensure your work and identity are protected. The improved FHD RGB camera, a 16:10 narrow bezel display, and Dolby Voice elevates the user experience, delivering more immersive and clearer video collaboration. Plus, low blue light display options mean minimal eye fatigue when those extra hours are a must.

¹16GHz Wi-Fi 6E operation is dependent on the support of the operating system, routers/APs/Gateways that support Wi-Fi 6E, and the regional regulatory certifications and spectrum allocation.

ThinkPad X13 Gen 3

MOBILITY FOCUSED

Starting at 18.1mm and 1.19 kg (2.62 lbs), the ThinkPad X13 Gen 3 is built for the portability and performance expected by today's hybrid workforce, with up to 15.4 hours¹ of battery life and next-gen 5G and Wi-Fi 6E capability².

ENHANCED USER EXPERIENCE

With an expanded scope of the FHD RGB camera plus Dolby Voice for immersive, clear video conferencing, the ThinkPad X13 Gen 3 enriches virtual collaboration in the modern workplace. The low blue light WQXGA display option means no more tired eyes when the productivity just can't stop.

UNMATCHED PERFORMANCE

The ThinkPad X13 Gen 3 delivers powerful mobile productivity with up to AMD Ryzen™ 7 6000 PRO, integrated Radeon™ 600M Graphics, up to 32GB LPDDR5 memory, and up to 1TB Value PCIe Gen 4 storage.

REDEFINED DESIGN

The refreshed ThinkPad X13 Gen 3 delivers a narrow 16:10 panel design with 84% screen-to-body ratio and choice of Thunder Black or a stunning Storm Grey aluminum finish with tone-matching keyboard. User-facing audio with larger speaker, a wide 115mm TouchPad, and power-on touch fingerprint reader make this ultra-portable clamshell ideal for the hybrid workforce.

durability

MIL-SPEC tested with 12 methods, 26 procedures, and 200 additional quality checks, the ThinkPad X13 Gen 3 is designed for WFA durability and engineered with reliable, long-lifecycle components.

security

Enhanced integrated ThinkShield features, like the camera shutter, optional PrivacyGuard, and power-on touch fingerprint reader, keep your data yours in the hybrid work environment. Plus, chip-level AMD Memory Guard and the new Microsoft Pluton security layer help eliminate interface exposure and prevent physical attacks.

sustainability

The ThinkPad X13 Gen 3 uses sustainable packaging³, as well as PCC recycled material for the battery brackets, speaker enclosures, and AC adaptors. All Lenovo devices are manufactured using low-temperature solder for reduced emissions. And by 2025, Lenovo aims to obtain 90% of electricity for global operations from renewable sources and remove one million tons of greenhouse gas emissions from the supply chain.

¹Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors. Projected up to 15+ hours using MM18. Official claims/final results TBD. Official results will be available at results.bapco.com at product launch.

²16GHz Wi-Fi 6E operation is dependent on the support of the operating system, routers/APs/Gateways that support Wi-Fi 6E, and the regional regulatory certifications and spectrum allocation.

³Product packaging shall contain, on average, a minimum total percentage of 90% by weight of any combination of the following materials: Recycled content, biobased plastic, non-wood biobased fiber material, and/or sustainably forested material.

ThinkPad X13 Gen 3

Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{1,2}

ACCIDENTAL DAMAGE PROTECTION

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{1,2}

GREEN DELIVERY

Improve sustainability for a smaller environmental impact. Green Delivery Service delivers devices in bulk packaging to reduce per-unit waste, improve operational efficiency with consolidated shipments, and allow for environmentally friendly packaging disposal. Plus, all boxes use Kraft Sealing Tape to eliminate single-use tape, and by 2025/26, 90% of PC products' packaging will be made from recycled materials.
