Kensington®

Docking Station Mounting Bracket

Mount your way to a tidier desktop.

K34050WW

Product Description

Support a tidier and more organised desktop with the Kensington Docking Station Mounting Bracket. Offers versatile mounting options for today's modern offices and supports any Kensington zero footprint compatible docking station. Maximise desktop space and reduce desktop cable clutter by attaching your docking station to the back of your monitor's stand or monitor arm, or clamp it to a cubicle partition wall, monitor post, edge of a desktop or other accommodating surface. Ideal for ergonomic workstation setups focused on reducing clutter for increased productivity and efficiency.

Features

- The perfect docking station companion for a tidier workspace.

- Provides numerous mounting surface possibilities for maximum flexibility.

- Can be mounted left, right, up or down to accommodate different docks and workstation setups.

- Works with Kensington docking stations.
