

Cooler

00126808 "Slim" Laptop Cooler, Ultra-flat, Quiet, Lightweight, up to 40 cm (15.6"), black

Highlightstext:

- Handy laptop base for cooling your laptop and the ideal way to take away heat to allow comfortable use of the laptop on a desk or at a workstation
- Ultra-slim design: super-lightweight and slim fan, ideal laptop base for working anywhere
- Non-slip base feet for a stable position also protect the resting surface from scratches
- Fan with red LEDs: visual highlight included with LED illumination
- Stable resting surface prevents overheating of the laptop on the cooler since the ventilation slits are not blocked
- Non-slip rubber pads on the underside ensure a secure grip of the laptop on the desk
- Simply plug in: the external fan for the laptop is supplied with power via the USB-A interface
- The cooling pad is economical in operation: with low power consumption, the laptop battery is not noticeably burdened
- The laptop cooler operates quietly: barely perceptible fan operating noise while it is cooling the laptop
- Recommended for laptops with a display size of max. 40 cm (15.6"): suitable for 10", 11", 12", 13", 14", 15" and all sizes in between up to 15.6"
