Five-Level SmartFit® Height Adjustment

Takes the guesswork out of finding the most ergonomic height for your laptop screen. Simply match your hand size to the colour on the provided chart, set the height to the corresponding level and you're done.

Integrated Docking Station Storage

A fabric-covered pad conveniently and neatly houses a docking station, phone, or other accessory (to ensure accessibility to all ports, a 90° port adapter may be necessary for some docking stations).

Headphone/Headset Hanger

Keeps your headset out of the way when you don't need it, but still close by when you do.

Aluminium Alloy and Steel Construction

Supports laptops up to 10kg (22lbs) weight.

Cable Management

For a tidy desktop.

Enhanced Ventilation

The ventilated platform allows heat to dissipate and keeps the laptop from overheating.

Easy Assembly

Assembly takes minutes, with all the tools you need included.

Non-Slip Rubber Base

Keeps the SmartFit® Universal Organising Laptop Riser in place and prevents it from sliding around the desk.
