Product Info Dual pointing (DP) indicates a track stick is present - Single pointing (SP) it is not.

In some cases DP keyboards are not compatible with models originally configured with SP keyboards. In most cases the DP keyboard will fit physically, but the track stick may not work.

This keyboard does not come with the ribbon cable. The existing cable needs to be used.

For previous laptop generations, configured with Windows 8, please always use a WIN8 keyboard.

TRAM = Tamper-resistant & anti-microbial
