

Eco Multi Roller SCALE 14-15.6

Sustainable mobility for business trips as well as short breaks. Pure functionality made of recycled materials.

Lived sustainability with a clear conscience - SCALE's family of products is manufactured from recycled PET and is kind to the environment. Consistent recycling helps to conserve resources. At DICOTA, it's the foundation of our innovative solutions. The Multi Roller SCALE is the intelligent trolley for environmentally-conscious professionals. Within the main material, 14 PET bottles are given a new life - without compromising on quality, functionality or design. The product offers storage space for clothes and accessories, excellent protection for your devices and is comfortable and easy to carry. Designed for daily use and equipped with practical functions that make your life easier.
