Neomounts by Newstar Thin Client Holder (attach between monitor and mount) - Black

The Neomounts by Newstar THINCLIENT-01 allows you to mount a thin client PC to a monitor/TV mount with VESA75/100 holes.

A thin client mount creates a neat and tidy workplace because the PC is stored behind the screen and doesn't use any valuable desk space. Keep the workplace clean without computers on the desk.

This Neomounts by Newstar thin client mount allows vertical installation of thin client computer between the screen and monitor mount. This product includes VESA 75x75 mm and VESA 100x100 mm hole pattern to simplify installation with flat screens and flat screen mounts.

All installation material is included with the product.
