

## Vehicle Charging Set

00201611 Car Quick Charger with Lightning Charging Cable, PD, 20 W, 1 m, white

### Highlightstext:

- Kit comprising car charging adapter with Power Delivery quick charging technology and charging cable, allowing you to charge your smartphone or tablet with Lightning connection at top speed via the cigarette lighter socket in cars or trucks
- Power Delivery technology guarantees extremely fast charging
- The USB-C connection and the new Lightning connector support the Apple iPhone's fast charging function with a Power Delivery (PD) charger
- Maximum compatibility: Power Delivery can be used anywhere, making it ideal for smartphones, AirPods, tablets and power packs
- Highly intelligent Power Delivery chipset automatically detects connected devices for efficient and optimised charging
- Optimized charging process saves the battery thus extending its service life
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Perfect in the car: small and lightweight charging kit comprising charger for the cigarette lighter socket and charging cable
- Smart and safe charging: overcharge, overvoltage and short circuit protection, IC with temperature protection
- Supports the Power Delivery technology
- Max. output power: 20 Watt
- LED function indicator provides information about the device status

### Note for Consumers:

Please check the product information or operating manual of your terminal device or contact the manufacturer to see whether your smartphone supports PD (Power Delivery).

MFI products are licensed by Apple and suitable for connecting to an iPhone, iPad and iPod. Apple requires high quality standards and verifies these standards before the products' market launch.

### Technical characteristics:

- Colour: White
- Product Division: Mobile Phone
- Shade of colour: White
- Connection: Lightning connector
- Number of USB Ports: 1
- Charge Technology: Power Delivery
- Input Voltage Range from/to: 12-24 V
- Output Voltage/Output Current: 12V/ 1,67A, 5V/ 3A, 9V/ 2,22A
- Display: LED-Funktion
- Cable Length: 1 m
- Max. Output Power: 20 W

### Delivery:

- 1 car charger
- 1 USB-C Lightning charging cable
- 1 operating manual
