SKU: HD4002GL / UPC: 817110017053

## 6 ultra-fast ports for productivity anywhere you work

Enhance your productivity and multitasking capabilities by providing a spacious and immersive workspace, allowing users to simultaneously view and work on multiple high-resolution content, such as videos, images, documents, and applications, with smooth and crisp visuals.

Power and charge your devices up to 85 W with a 100 W PD 3.0 charger\* while using the hub, ensuring uninterrupted productivity, making it ideal for power-hungry devices and busy professionals on the go.

\*When connected to a PD 3.0 host.

Enables lightning-fast data transfer, allowing users to move large files, backup data, and sync devices in a fraction of the time compared to traditional USB connections, increasing productivity and efficiency.

Provides significant time savings for video editing and photography workflows, as it allows for ultra-fast and efficient transfer of high-resolution images and videos, enabling seamless editing, quicker file backups, and accelerated post-production processes.
