**Neomounts AV35-726BL1 TV mount for Sonos Beam - easy installation - TV-attached design - black**

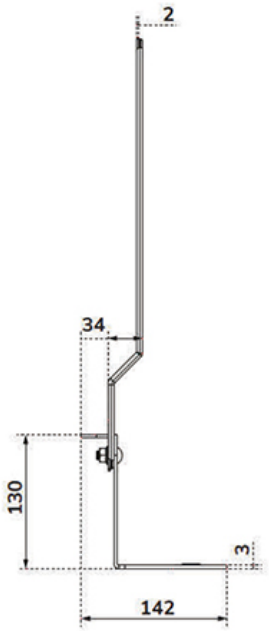

The Neomounts AV35-726BL1 TV mount, engineered for the Sonos Beam soundbar, seamlessly integrates your audio directly with your display for a clean, unified aesthetic. Because the soundbar is attached directly to your television, it moves synchronously with your screen when you use a full-motion or swivel TV mount, ensuring your audio always follows your viewing angle.

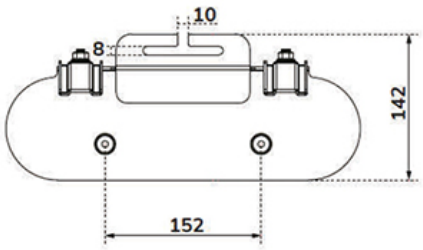

Designed with ease of use in mind, the AV35-726BL1 offers easy installation. Available in versatile black and white finishes to match your hardware and interior preferences, this mounting solution ensures that your Sonos Beam delivers optimal acoustic performance.
