## Thule Tact Backpack 16L

TACTBP114

Versatile, bluesign® approved backpack made from recycled materials with protective storage for a laptop, multiple pockets, and anti-theft features to keep everything organized and secure.

1. Store daily essentials while protecting a 14" laptop in a padded, elevated pocket and a tablet or files in a dedicated slip pocket
2. Contents remain secure in main compartment with concealed zippers, a back-facing opening, and a snap flap that closes over the zipper for added security
3. Organize small electronics and accessories and keep everything within reach with multiple interior pockets, organization panel for small electronics, and key fob hook
4. Safeguard your identity and personal information with a RFID blocking pocket
5. Made with coated ripstop material, YKK zippers, and aluminum hardware for added durability
6. Hidden back access pocket with locking zipper slider
7. The shoulder strap detaches at the bottom of the backpack and wraps around any affixed object to prevent theft
8. Scan metro card without removing it from the dedicated side pocket. Simply place the bag over the scanner to activate
