

ThinkPad L15 Gen 3 *i*

From finance, accounting, and data-entry work by day to video streaming by night, ThinkPad L15 Gen 3 *i* has the power, performance, and connectivity to handle it all in a device that's constructed to be more sustainable than ever.

ThinkPad L15 Gen 3 *i* is powered by Intel vPro® with 12th Gen Intel® Core™ U or P series processors and features a new, larger 57 Whr battery option for all-day productivity. It's thinner and lighter than previous generations and boasts a higher screen-to-body ratio. An optional FHD camera and Dolby® Voice AI noise suppression technology combine for improved videoconferencing, while expanded Wi-Fi and WWAN connectivity capabilities assure blazing-fast Gigabit Internet speed in any location.

Plus, it is more environmentally responsible than ever thanks to Lenovo's reduced-emissions manufacturing process and packaging with 90% recycled and/or sustainable materials.

Secured-core PC enabled and built with enhanced ThinkShield security features, ThinkPad L15 Gen 3 *i* also offers Intel vPro® platform security to keep devices, users, and data secure.

**Smarter
technology
for all**

Lenovo

ThinkPad L15 Gen 3 *i*

POWER-PACKED PERFORMANCE

ThinkPad L15 Gen 3 *i* is built for high-performance business computing with Intel vPro® with 12th Gen Intel® Core™ U and P series processors, up to 64GB DDR4 memory, and up to 1TB of Gen 4 PCIe storage. Plus, a new, larger 57 Whr and 63 Whr battery option provides true all-day battery life for all the things users need to do.

ENHANCED USER EXPERIENCE

A wider 115 mm TrackPad, optional FHD camera, user-facing Dolby® Audio™ Speaker System, and Dolby® Voice AI noise suppression technology are several of the new features built into ThinkPad L15 Gen 3 *i* that provide a more enjoyable and productive user experience whether working alone or videoconferencing with colleagues.

DIGITAL WELLNESS

Health and productivity go hand-in-hand with the addition of Glance software, which supports user wellness with a posture alert and reminders every 20 minutes to look away at something 20 feet away for 20 seconds to allow the user's eyes to refocus and alleviate fatigue.

EVERYWHERE CONNECTIVITY

From the home office to the actual office, ThinkPad L15 Gen 3 *i* keeps users connected to the devices and data that matter most through a wide array of ports, including Thunderbolt™ 4. These physical connections are further complemented by enhanced wireless capabilities—up to Intel® Wi-Fi 6E and 4G LTE CAT4 connectivity—ensuring Gigabit Internet is accessible from anywhere.

SMARTER SECURITY

ThinkPad L15 Gen 3 *i* is secured-core PC enabled and protected by a comprehensive suite of built-in ThinkShield security solutions, including an optional FHD + IR Hybrid camera and a new Power-on Touch Fingerprint Reader. This device also features hardware-based security powered by Intel vPro® security to help protect data and your business against the latest evolving threats.

sustainability

ThinkPad L15 Gen 3 *i* uses 90% recycled and/or sustainable packaging¹, as well as PCC recycled material for the battery brackets, speaker enclosures, and AC adaptors. All Lenovo devices are manufactured using low-temperature solder for reduced emissions. And by 2025, Lenovo aims to obtain 90% of electricity for global operations from renewable sources and remove one million tons of greenhouse gas emissions from the supply chain.

connectivity

Users stay connected to the data and devices their work depends on with an array of ports and up to Intel® Wi-Fi 6E and 4G LTE CAT16 wireless connectivity capabilities.

durability

ThinkPad L15 Gen 3 *i* is MIL-STD-810H tested to withstand 12 methods and 26 procedures— industry-leading standards that assure users the utmost product durability and reliability.

¹Product packaging shall contain, on average, a minimum total percentage of 90% by weight of any combination of the following materials: Recycled content, biobased plastic, non-wood biobased fiber material, and/or sustainably forested material.

Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{1,2}

ACCIDENTAL DAMAGE PROTECTION

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{1,2}

GREEN DELIVERY

Improve sustainability for a smaller environmental impact. Green Delivery Service delivers devices in bulk packaging to reduce per-unit waste, improve operational efficiency with consolidated shipments, and allow for environmentally friendly packaging disposal. Plus, all boxes use Kraft Sealing Tape to eliminate single-use tape, and by 2025/26, 90% of PC products' packaging will be made from recycled materials.
