Mac Pro® and Pro Display XDR® Locking Kit

Part Number: K63150WW | UPC Code: 0 85896 63150 7

The locking kit designed to perfectly complement your Mac Pro and Pro Display XDR.

Now there's an elegant way to secure your Mac Pro and Pro Display XDR. The Mac Pro and Pro Display XDR Locking Kit perfectly complements the Apple design aesthetic, without the use of tools or modifications to the equipment. This easy-to-install ingenious solution uses the honeycomb plate on the chassis of the device as the anchor point. Includes 2.4m carbon steel cable and lock.

Features include:

- Elegant locking solution perfectly complements Mac Pro and Pro Display XDR

- Easily attaches/no tools or chassis modifications required

- Lock modules can be used together or individually

- Includes 2.4m carbon steel cable and lock

- Verified and tested

- Quick, secure, and easy key replacement (via Register & Retrieve™)

- Five-year warranty
