HP Color LaserJet
CP1515n Printer

Ideal for individuals or workteams in home or small offices, and even in managed corporate environments, who want a fast, reliable, desktop colour printer to create high-quality marketing materials in-house.

Create more effective business communications with professional-quality colour at your desktop.

Create enticing, targeted marketing material in-house and achieve great quality simply: photo mode automatically optimises output quality based on the media selected with just one click of a button. Give your documents a different look and feel, choosing from a range of plain to glossy HP media.

Achieve vibrant colour, realistic photos and print-shop quality results with HP ColorSphere toner

Get outstanding colour intensity, high gloss, photo-quality images and sharp text with new formula HP Color Sphere toner which creates a dynamic range of bright, true colours and clearly defined details. Make no compromises when you want to create exceptional colour output: HP ImageREt 3600 enables your printer to produce high quality images, text and graphics on a variety of different media.

Get fast, affordable colour and black output with this compact, easy-to-use LaserJet printer.

See results fast at up to 12 ppm black and 8 ppm colour, and get your black pages for the same price as with an HP monochrome LaserJet. No waiting with HP Instant-on Technology which enables your print job to begin quickly from low power mode. Incredibly easy to set up and use with a new, intuitive driver interface and handy front-access door for supplies replacement. Basic-featured networking for up to 5 users offers good performance, security and remote management capabilities.
