

ONE TOUCH

FAST, PORTABLE, USB-C SSD

Data Sheet

Measurably Small. Amazingly Fast.

Accelerate your performance and score some downtime with One Touch SSD. Take advantage of speeds up to 1030MB/s¹ to transfer large files without delay. There's even an Android app to backup photos and videos—freeing up device space, plus up to 2TB capacity and simple plug-n-play USB-C Windows and Mac compatibility to keep files handy. Travel-sized and styled right, work seamlessly from the drive—wherever you are.

- Big files? No problem—complete file transfers fast or work smoothly directly from the drive with up to 1030MB/s speeds
- Up to 2TB capacity helps keep all your files, movies, and photos in one place
- Effortlessly transfer photos and videos—freeing up space on your device—with the included Android backup app
- Quick connections are a snap with both USB-C and USB C-to A for out-of-the-box compatibility with Windows®, Mac®, and Android™
- Eye-catching minimalist design compliments your laptop—choose from black, white, or blue
- Lightweight and travel-sized to take your files wherever you go
- Robust design offers durable, shock-resistant storage to withstand the impacts of an active lifestyle—throw into your bag and go
- File mirroring software allows for seamless file access and syncing across multiple devices
- Backups are a breeze with easy-to-use Seagate Toolkit software for on-demand and scheduled options

¹ Actual data rates may vary depending on operating environment and other factors, such as chosen interface and disk capacity.
