3-digit Luggage Lock

Article number: 528685

Innovative combination lock with flexible steel cable and Sentry Security Standard. Easily secure the zips of bags, rucksacks, or luggage. The Sentry Security Standard (TSA = Transportation Security Administration) enables airport and customs officials around the globe to open the lock without destroying it.

- Flexible steel cable
- 3-digit combination lock
- Travel Sentry for airports
- Suitable for all zippers
- Approved by the „TSA“ (Transportation Security Administration)
- TSA-compliant Recommended for travelling in the USA
