ARTICONA MacBook Air 15 Privacy Filter

Article number: 4830266

Shield your important data and documents from prying eyes. This privacy filter helps protect your sensitive data and personal information, allowing you to work on business trips and in public places without worrying about privacy. The filter's micro-blade surface provides a smooth transition from visible to blocked views without distracting lines on the screen. In addition, it protects the display against dirt, scratches and fingerprint smudges.

Highlights:

- Magnetic privacy filter with quick installation and easy removal
- Privacy protection from a 60° viewing angle
- Anti-glare surface reduces reflections
- Protects against scratches, fingerprints and dust
- Durable surface with up to 3H pencil hardness
- Cut-outs for camera and ambient light sensor
- Clear image quality with accurate colour reproduction
- No noticeable reduction in screen resolution
