

# Portable Monitors with Wireless Power Supply

PN: 32087, 32088

## Description

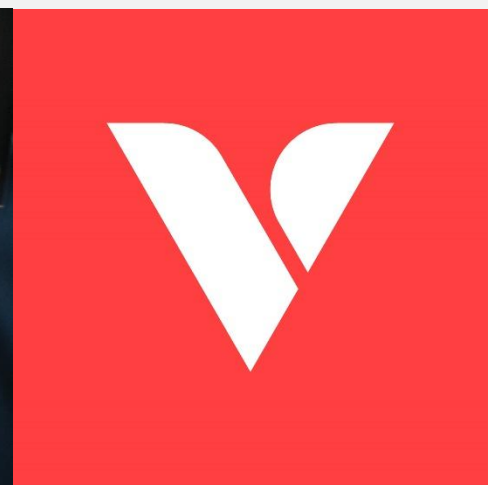

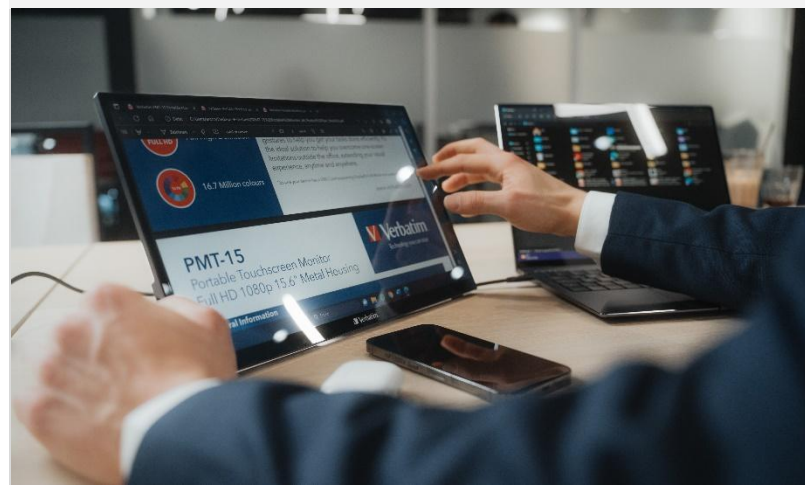

The Verbatim Portable Touchscreen Monitor adds a new dimension to your work and play. Lighter thanks to its durable housing, it's ideal for travel, presentations, or as an extra screen for your phone, tablet, or gaming system.

For added convenience, the 16:9 monitor includes a wireless power supply via magnetic charging with the included MagSafe-compatible power bank, helping to preserve your laptop's battery or power your phone/tablet without draining them.

Compact and highly versatile, it boosts productivity and entertainment wherever you go. The 10-point touch screen supports swipe, scroll, drag, and pinch gestures for smooth, intuitive interaction.

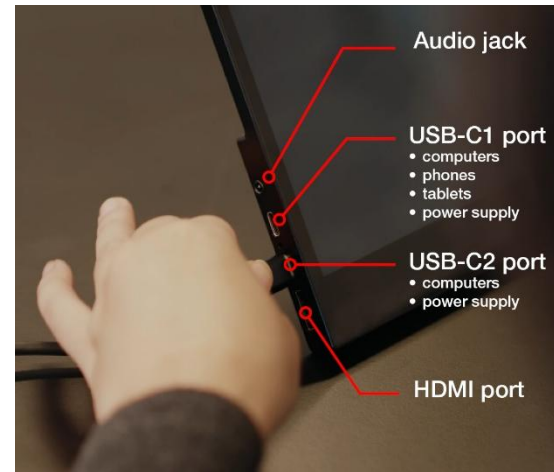

Whether you're working remotely or gaming on the move, it's the perfect way to overcome one-screen limits and enhance your visual experience—anytime, anywhere.

- Available in two size: 13.3", 14"
- Display colours: 16.7M colours
- Supports: HDR, FreeSync, Low Blue Light
- Frame material: Plastic and Aluminium
- 2-year limited warranty
