

**BOOST↑CHARGE™**

## Wireless Charging Pad 10W

Convenient Qi™ certified wireless charging pad that delivers fast wireless power. Just set a Qi-enabled phone onto the pad to charge at up to 9W for Samsung, 7.5W for iPhone, and a standard 5W to all other wireless charging smartphones.

### Product Benefits

- Fast wireless charging optimized to charge Samsung at 9W and Apple at 7.5W.
- Just place a Qi-enabled phone onto the pad and start charging.
- Case compatible with most lightweight cases up to 3mm for simplified charging while keeping the user's phone protected at all times.
- Qi certified for safe and compatible charging.
- LED light indicates when phone is charging and when a foreign object is detected, so it's easy to know when a phone is properly aligned and charging optimally.
- Power supply included for easy charging right out of the box (not included with WIA001bt version).
- 2-year warranty provides peace of mind.

### Package Includes

- 10W wireless charging pad
- Power supply (not included with WIA001bt version)
- USB-A to micro-USB cable (not included with WIA001bt version)

### Compatibility

For  
Qi-enabled devices

### Technical Specifications

- 10W
