ARTICONA GRS Classic Pro 17" Bag Black

Article number: 4906610

Experience the perfect blend of functionality and style with the ARTICONA GRS Classic Pro Bag. A practical solution designed for professionals on the move.

- Recycled Material: Made primarily from recycled PET.
- Reliable Protection: Sturdy, padded design helps protect your notebook or tablet.
- Spacious & Organized: Large main compartment with double zippers, plus multiple pockets for accessories.
- Durable & Water-Repellent: Water-repellent material helps protect your belongings from light moisture.
- Perfect Fit: Designed for notebooks and tablets up to 17 inches (43.2 cm).

The main material consists of 90% R-PET polyester, derived from recycled PET bottles. Depending on the bag's size, four to five plastic bottles are used to create each one. The material is processed into a durable bag designed to protect your devices. Stay organized and protected with the ARTICONA GRS Classic Pro Bag.

Material: R-PET polyester (outside material and lining material)

Keep out of prolonged, direct sunlight.
