

Lenovo ThinkPad E14 GEN 2 *i*

Introducing **Windows 11**, an OS designed for hybrid work. Built on the familiar Windows foundation but reimagined to boost employee productivity and enhance collaboration on the most secure version of Windows yet. It is more productive, more collaborative and consistent for IT, and secure for all.

ThinkPad E14 Gen 2 *i* is an intelligent innovation packaged within your means. Designed for dynamic work styles and powered by the latest 11th Gen Intel® Core™ processor and **all-new Windows 11 OS**, ThinkPad E14 Gen 2 *i* marries performance with style and substance.

True to the ThinkPad brand, it is built with impressive reliability and robust security features that is bolstered by **Windows 11 Zero Trust protection**. Modern device innovations like one-touch power on and logins, Modern Standby, and an IR camera¹ give you an intuitive user experience. Whether it is design, performance, security, or collaboration, the ThinkPad E14 Gen 2 *i* doesn't leave you wanting.

Lenovo recommends Windows 11 Pro for business

Lenovo ThinkPad E14 GEN 2 *i*

LOOKS GOOD, FEELS BETTER

Work can take you anywhere, and the ThinkPad E14 Gen 2 *i* is made to move—at just 1.5kg, it is light and easy to carry, and at 17.9mm thickness, it can fit in your bag when you are on the go. Aluminum top and bottom covers give it a classy look and a nice feel in your hands.

VISUALS THAT SPEAK

Visualize better on an engaging display, with Full-HD resolution and 100% sRGB color gamut¹ that renders crystal clear visuals. Up to 300nits of brightness means you can see your screen even in outdoor environments. **Windows 11 interface** on its touchscreen¹ display offers a **centered Start, clean layout, and effortless navigation, improving focus with a simpler, more intuitive user experience.**

SECURE FROM THREATS AND BREACHES

You don't take chances with your security, and ThinkPad E14 Gen 2 *i* does not either. A fingerprint reader and an IR camera¹ with Windows Hello enable near fool-proof biometric authentication to prevent unauthorized access to your system.

Windows 11 Zero Trust security offers built-in automated protection from the chip to the cloud while ensuring productivity.

DO MORE WITH SMART FEATURES

AI-based noise-cancellation in the embedded microphone enhances meetings. Pick between Private, Shared, or Environmental modes for seamless conferencing in any environment. Dynamic cooling manages the working temperature for optimum performance. And work comfortably for longer with a low blue light mode.

Lenovo

performance

Get workforce performance with the 11th Gen Intel® Core™ processor backed by up to 32GB DDR4 memory, discrete NVIDIA® 450MX graphics¹, and **Windows 11 OS** that help you power through your workday.

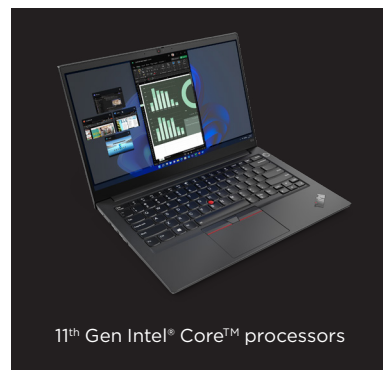

user-experience

Automate workflows across apps with Microsoft Power Automate on Windows 11. Simplify routine tasks like reporting, data entry, scheduling, and more with a low-code, guided process, and hundreds of pre-built connectors.

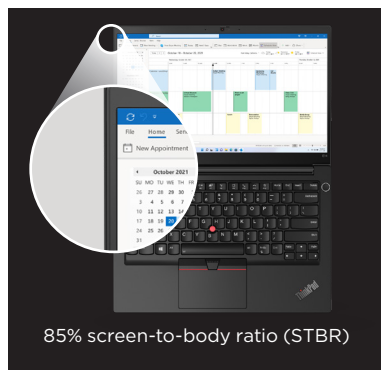

connectivity

Experience superfast data transfer with Thunderbolt™ 4 that supports up to two 4K displays. **With Windows 11, Windows and apps on the external monitor minimize to the taskbar and restore automatically when you disconnect and reconnect, helping you save time and enable efficiency.** Intel® Wi-Fi 6¹ ensures your internet is stable, rapid, and without latency.

optional services

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{3,4}

ACCIDENTAL DAMAGE PROTECTION (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{3,4}

WARRANTY EXTENSION

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.³

¹Battery life claims are based on results using both MobileMark 2018 benchmark tests.

Actual battery life will vary and depends on usage and configurations.

LENOVO THINKPAD THUNDERBOLT™ 3 DOCK GEN 2

PN: 40AN0135xx

The hub for your device and peripherals, this docking station provides seamless connectivity and lets you expand your device's capability. Get blazingly-fast file transfers with up to 40Gbps speed. Stream 5K videos or connect to multiple 4K displays for easy multitasking across applications. Get 65W charging and multiple ports for accessories with five USB 3.1 ports, two DP and HDMI port, all with single cable connectivity.

LENOVO PROFESSIONAL WIRELESS KEYBOARD & MOUSE COMBO

PN: 4X30H56796

This combo allows you to connect both keyboard and mouse using only one nano USB wireless receiver. The slim, wireless keyboard has a responsive key feeling and includes an adjustable tilt leg, numeric keypad, and spill-resistant design. The full-size wireless mouse accommodates left- and right-handed users with ambidextrous five-button design for four-way scrolling.

LENOVO 15.6-INCH COMMUTER BACKPACK PN: 4X40U45347

Sturdy enough for the great outdoors yet stylish for the modern office, this lightweight, weather-proof backpack has the versatility for both workdays and weekends. It keeps your notebook, electronics, and accessories organized and protected in one compartment, while clothes and shoes fit neatly in a separate wet/dry ventilation compartment. A back panel security pocket, trolley strap, and removable shoulder straps round out the features that make this ideal for professionals on the move.
