

## Mobile rechargeable LED table lamp MAULnina, dimmable

greener@work

- **Trendy designer lamp for wireless ambient lighting**
- **Top quality: Coated aluminium light incl. high-quality LiFePO4 battery**
- **Take it everywhere like a friend: At the conference table, in the bistro, as a reading and bedside lamp, in the cellar, on the covered terrace**
- **Lithium iron phosphate battery with high safety and long service life: Resistant to high temperatures, overcharging, short circuits or mechanical loads**
- **greener@work: No toxic heavy metals, no rare earths, high recycled content (including batteries), economical LED technology**
- **Convenient Charging: Simply place the light on the contact charging station or charge directly via the micro USB port, station and cable included**
- **Technical safety concept made by MAUL**
- Mains-independent battery operation: No annoying cable
- Continuous dimming: Operation and dimming via touch field on top of the light
- Long lighting time, short charging time: Up to 10 hours of lighting time (depending on dimming level), 5 hours charging time
- Pure design: Minimalist styling, choice of high-quality materials, stylish accent lighting
- Powerful: Also suitable as a semi-professional reading and work light
- True-to-life colour rendering (like sunlight at midday), CRI 95
- Practical: Optimised glare protection with the diffuser
- Control gear, battery (type 18650) and light source interchangeable
- Environmentally friendly recyclable packaging, free of plastic

- Available from 08 / 2024

Illuminance of the : 640 lux illuminance at 25 cm distance  
 Colour temperature per light source: 2.700 Kelvin (warm white)  
 Number of light sources: 1  
 Energy efficiency class per light source: F (spectrum A to G)  
 Weighted energy consumption per light source: 3 kWh/1000 h  
 Service life L70B50 per light source: 25.000 h  
 Useful luminous flux per light source: 210 Lumen  
 Base: base  
 Material: Head: Aluminium - Column: Aluminium - Foot: Aluminium - Base: desk protection pad  
 Dimensions: Height: 34 cm - Head: Ø 12 x 6.5 cm - Column: Ø 0.9 x 24.7 cm - Base: Ø 11 cm  
 Position of the switch: Lamp head

- Guarantee: 2 years
