

3.5 mm Audio + Charge RockStar™

For Device:

Made for: iPhone 7 Plus, iPhone 7, any Lightning device that runs iOS 9 or later

Works with MFi-certified Lightning to USB cables

Works with 3.5 mm headphones, speakers, and other audio devices that connect via 3.5 mm headphone jack

3.5 MM AUDIO + POWER

The 3.5 mm Audio + Charge RockStar makes it possible to listen to audio through a 3.5 mm headphone jack, while charging your iPhone 7 Plus or iPhone 7. Connect your 3.5 mm headphones, speakers, or aux cable to enjoy music or talk hands free, while you charge. Use the 3.5mm RockStar at home, at work, in the car, or on the go.

PRODUCT STORY:

Research: Develop a dependable solution for customers looking to use the Lightning connector on the iPhone 7 Plus or iPhone 7 to charge their new device, while simultaneously listening to music using 3.5 mm headphones or speakers.

Consumer requirement: A way to charge the iPhone while listening to audio. A solution that is light, compact, and portable.

At a Glance:

- Listen to 3.5 mm audio and charge at the same time
- Supports optimal pass-through charging for iPhone
- Supports remote control and microphone from MFi-certified 3.5 mm headphones
- Supports syncing via Lightning to USB cable
- Works with Apple iPhone 7 Smart Battery Case
- Made for iPhone

3.5 mm Audio + Charge RockStar™

For Device:

Made for: iPhone 7 Plus, iPhone 7, any Lightning device that runs iOS 9 or later

Works with MFi-certified Lightning to USB cables

Works with 3.5 mm headphones, speakers, and other audio devices that connect via 3.5 mm headphone jack

BENEFITS:

DUAL FUNCTIONALITY

Pass-through charging powers up your iOS device at maximum speed. So whether you're listening to music, watching videos, using audio navigation, or taking calls while you charge, there's nothing slowing you down.*

AUDIO SUPPORT

The 3.5 mm Audio + Charge RockStar supports headphones, speakers, and any audio device that connects via 3.5 mm headphone jack. The RockStar is also fully certified to meet Apple specifications for use with compatible iPhone and iPad models.

SYNC STAR

Use the RockStar to connect your iPhone to a laptop and access music while you sync.

"MADE FOR iPhone"

"Made for iPhone" means that an electronic accessory has been designed to connect specifically to iPhone, and has been certified by the developer to meet Apple specifications. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPhone may affect wireless performance.
