

# UnlimitEd for iPad (8th/7th gen)

UnlimitEd for 2018 is the same great case for K-12, but even better than before. We moved the speaker opening to the front to direct sound forward and improve the listening experience. We added a release tab to help when it's time to uninstall the case. And, we've improved the case design for better drop performance. Check out the latest edition of UnlimitEd and see for yourself.
