SKU: 105GA8SB

PRODUCT DESCRIPTION

The Space Galaxy Tab A enclosure features rounded edges and open corners for improved ventilation and allows limited access to the on- and off-button and inputs.

As with all our Galaxy and security devices, the Tablet can be continuously charged while in the enclosure and have cables plugged in while mounted. Mount this enclosure to the wall or any other surface via the standard VESA pattern or put it on one of our stands for additional kiosk experiences.
