# ARTICONA 3D iPhone 8/7 Plus Screen protector

Article number: 4198938

This 3D glass screen protector from ARTICONA, designed for the iPhone 8 Plus, provides protection against scratches, dirt, and reduces reflections. The film offers up to 3 times stronger protection compared to a conventional screen protector. With a surface hardness of 10H, it ensures extra strong protection. Specially rounded corners enhance safety and ensure a precise fit. The film is easy to apply and removes without leaving residue. Air bubbles under the film can be easily smoothed out with the included plastic scraper. Additionally, a cleaning cloth is provided.

- Perfect scratch protection
- 3 times stronger than conventional films
