

VESA TV Wall Mount, Adjustable Full Motion Mount For 23"-55" Displays, Slim Wall Mount TV Bracket Supports 66lb (30kg), Extendable/Tilting/Swivel Monitor Wall Mount

Product ID: FHA-TV-WALL-MOUNT

The steel and aluminum construction of this VESA TV Wall Mount supports TVs from 23" to 55" and up to 66lb (30kg). The arm assembly provides smooth one-touch height adjustment thanks to its spring-loaded mechanism that acts as a counterbalance. The VESA plate supports mounting patterns of 75x75 to 400x400.

Securely mount a flat or curved-screen TV or digital signage in a convenient location for viewing by visitors, clients, and employees. This TV wall mount is ideal for lobbies, boardrooms, and manufacturing facilities. The lateral range of 3.54 ft (1.08m) is ideal for corner mounting. The jointed arm folds on itself and creates a slim profile from the wall of just 2.2in (5.8cm) for limited space installations. The minimum TV weight is 17.6lb (8kg). M5/M6/M8 Screws of various lengths and an assortment of washers and spacers enhance TV mounting compatibility. Mount into wood-stud or concrete walls, using the included hardware.

Supported VESA mounting patterns: 75x75, 100x100, 200x100, 200x200, 300x300, 400x200, and 400x400.

The VESA plate swivels +90 / -90 degrees, tilts +8 / -15 degrees, and rotates +3 / -3 degrees. Customize the viewing experience and comfort with these full-motion capabilities. The one-touch spring-assisted mechanism facilitates effortless height adjustments, with a range of up to 12.6in (32cm).

The arm assembly extends up to 23.4 in (59.5 cm) from the wall to accommodate different viewing positions.

The robust steel and aluminum design safely and securely supports the TV. The arm assembly features built-in cable management and a wall mount cover for an organized and visually appealing installation.

The height adjustable TV wall mount is backed for two years, including free lifetime 24/5 multi-lingual technical assistance.

Certifications, Reports and Compatibility

Applications

Features

- **HEIGHT ADJUSTABLE TV WALL MOUNT:** Spring-assisted height adjustable range 12.6in (32cm); Articulating wall mount TV bracket supports TVs up to 55in; Max weight 66lb (30kg); Single-stud design made from powder-coated diecast aluminum for maximum durability
- **ONE-TOUCH MOTION:** Full-motion TV wall mount features a spring mechanism for effortless viewing angle and height adjustments; VESA plate features +/-90 swivel, +/-15 tilt, and +/-3 rotation; Toolless adjustment w/ built-in cable management
