

Logitech®

***Bluetooth®* Audio Adapter**

Make your speakers Bluetooth.

- Multipoint *Bluetooth®*. Pair smartphone and tablet simultaneously
- Convenient, 1-push pairing button
- Works with PC speakers, home stereo systems and AV receivers
- No-compromise Logitech audio
- Reliable 15-metre line-of-sight range

Make your speakers Bluetooth. The Logitech *Bluetooth®* Audio Adapter gives you everything you need to turn your favourite speakers into a wireless sound system for your smartphone and tablet. Multipoint *Bluetooth®* connectivity lets you pair two devices simultaneously—and stream audio from either one to powered speakers with standard analogue RCA or 3.5 mm connections. Pairing your devices is as easy as pressing a button, and lightning-fast, automatic re-pairing makes streaming your audio hassle free. Stream and control your music with a reliable line-of-sight connection from up to 15 metres (50 feet) away. And you never have to compromise on sound, because the *Bluetooth®* Speaker Adapter is tuned at the state-of-the-art Logitech labs to deliver high-quality acoustics for all your music, movies and games.

Bluetooth® Audio Adapter
