## Lenovo V15 GEN 3 ABA LAPTOP

Version 1 | March 2022

A strong IT foundation comprises devices capable of tackling diverse business challenges. Lenovo V15 Gen 3 ABA, with its powerful AMD Ryzen™ 5000 series mobile processors, hybrid storage, and business-grade security, is a versatile, affordable device designed to empower your organization's IT.

Designed for productivity without sacrificing style, its striking design and portable form set the Lenovo V15 Gen 3 ABA apart from its competitors. Moreover, its array of ports and enhanced display features take your work experience to new heights.

AMD  
RYZEN

**Outstanding Performance:** the Lenovo V15 Gen 3 ABA, powered by the AMD Ryzen™ 5000 series mobile processors, and integrated AMD Radeon™ graphics allows for smooth task-to-task transition that helps you work faster.

**Ample Storage:** Hybrid storage on the Lenovo V15 Gen 3 ABA gives you more room to store files and speeds up processes with up to 512GB M.2 PCIe SSD and up to 1TB HDD for uninterrupted work.

**Stunning Screen and Body:** the visual experience on the Lenovo V15 Gen 3 ABA comes with a Full-HD display with In-Plane Switching and 88% screen-to-body ratio. The lighter chassis at 1.7kg, 4-sided narrow bezels, and optional textured exterior make your device stand out.

**Seamless Connectivity:** Enhance your connectivity with a wide array of ports. Connect to a second screen via HDMI or USB Type-C, or a keyboard and mouse with USB 2.0 and USB 3.0 ports. Connect to networks with the RJ45<sup>1</sup> port for faster internet speeds.

**Enhanced Collaborative Features:** Conference confidently with intelligent noise-canceling and background blur for distraction-free meetings. Share content directly from the taskbar with Integrated Microsoft Teams and mute/un-mute audio with a single click

## Lenovo V15 GEN 3 ABA LAPTOP

### ITDM Benefits

**Improved Capability:** the latest processor, paired with powerful graphics and connectivity improves productivity at every level of your organization.

**Robust Security:** Lenovo V15 Gen 3 ABA takes your organizational security seriously. The Camera Privacy Shutter closes to protect your privacy. Software-based TPM encrypts critical information, and the Kensington™ lock slot keeps your device physically safe.

**Superior Deployability:** The Lenovo V15 Gen 3 ABA makes deploying and managing devices a breeze. The dedicated Service HotKey on the F9 function key gives instant access to device details, warranty information, and self-service options with a single click.

<sup>1</sup>Optional

## Accessories

### Lenovo 15.6" Laptop Casual Backpack

PN: GX40Q17225 Black-ROW

Modern, durable, and stylish, this backpack with its conveniently placed compartments and pockets, is perfect when on the go. Water-repellent fabric and a clean, streamlined design create a case that is ideally suited for everyday use.

### Lenovo 400 Wireless Mouse

PN: GY50R91293 (WW)

Comfortable and functional, this mouse offers exceptional quality with a modern wireless solution. Equipped with an optical sensor, it enables fast scrolls and accurate clicks through documents and spreadsheets.

### Lenovo 100 In-ear Headphones

PN: GXDOJ36366 Dark Grey (WW)

The Lenovo in-ear headphones deliver exceptional sound clarity, creating a rich audio experience. A comfortable fit, tangle-free cord, and hidden noise-canceling microphone make conference calls easier.

## SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on your work, not your IT.

### Premier Support

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

### Accidental Damage Protection (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

### Warranty Extension (1-year base, up to 3 years)

This fixed-term, fixed-cost service helps you accurately budget for your IT expenses, protect your valuable investment, and lower the cost of ownership over time.

<sup>1</sup>Dual drive storage supports up to 1TB HDD + 256GB SSD only  
<sup>2</sup>Optional

Depending on many factors such as the processing capability of peripheral devices, file attributes, and other factors related to system configuration and operating environments, the actual transfer rate using the various USB connectors on this device will vary and is typically slower than the data rates as defined by the respective USB specifications: - 5 Gbit/s for USB 3.1 Gen1; 10 Gbit/s for USB 3.1 Gen2 & 20 Gbit/s for USB 3.2.
