

Secure Holder with Wire Cable

Track your belongings with ease and confidence using our Secure Holder with Wire Cable for AirTag. It's available in both white and black colors to better accessorize and organize. Our premium Secure Holder easily and securely locks into place with the included hex key, ensuring both AirTag and Secure Holder stays in place without fear of losing it. Its flexible, durable, and secure wire cable is ideal for luggage, backpacks, purses, and other valuables. Secure Holder's raised edges protect from dings and scratches while its open design allows both sides of AirTag to be visible so any personalization can be easily seen. Secure Holder is also available with a carabiner.
